

EX-PMH

# Universal Pad-Mount Hydraulic Thumb

The CRAIG Universal Pad-Mount Thumb is the perfect stocked solution for outfitting machines with a durable, easily installed, fully hydraulic thumb that is customizable to the specific tip-radius of each machine. When not in use the thumb weldment tucks up close to the stick for unparalleled visibility and convenience.

- Fits all excavators from 10 to 20 ton
- Easy installation, hydraulic kits available
- Tucks close to the stick when not in use for great visibility
- Additional valve required on machine
