

MG-302

302 - High Lift Wing Assembly

Extend the capabilities of your Grader with a high-lift rear-post wing assembly. Allowing for an amazing 60" of benching height this assembly allows operators working on particularly snowy stretches to double-bench for more efficient plowing.

- 60" level benching height
- Sealed Control Handles and Plow Control Valve ensure trouble free operation
- Hydraulic Push Pole (standard) adds up to 22" of increased reach
- Floating front slide allows constant road contact
- Replaceable, reversible, cutting edge for long wear-life
