

MG-WE

Windrow Eliminator

The ideal tool to reclaim the road shoulder. Eliminates the need for an extra pass saving time and energy for your operation.

- No need to grade roads twice because of unwanted windrows
- Hydraulic lift provides 12" to 24" of lift (depending on machine) keeping the windrow eliminator out of the way when not in use
- Reversible, replaceable, steel cutting edge
- Four different angle adjustments up to 45°
- Available with manual or hydraulic adjustable caster wheels
- Can be side-shifted up to 36" left or right
- Blade depth adjustment up to 10"
