

WL-CSP

Snow Pusher

Clear large paved surfaces up to three times faster with one of our rugged Snow Pushers. Constructed specifically for parking lot and airport runway usage our design incorporates a precision backframe for maximum strength and ease of hookup.

- Available in either slip-on, Craig Quick-Key or OEM coupler & Pin-On configurations
- Various optional edge configurations available (carbide, rubber, etc.)
- Optional trip edge available
- Optional down pressure float available
- Can be ordered in a wide range of widths upon request
- An industry leader. Designed and developed in Canada for heavy snow conditions
- Solid steel serial number for easy identification and support
