Ramp Clearing Plow

Built specifically for airport installations Craig Ramp Plows are keeping airport ramps clear and safe around North-America. Custom engineered for ease of use and efficient snow handling these extra-wide plows can be ordered with a variety of cutting edges, including rubber, to protect the tarmac.

- Replaceable, adjustable, wear shoes and cutting edge for long wear-life
- Optional swing-out removeable end plates
- Can be ordered in a wide range of widths upon request
- Available in Craig Quik-Key or OEM coupler & Pin-On configurations
- Solid steel serial number for easy identification and support
