

MG-QKMG

PARALLEL QUICK HITCH LIFT GROUP

The Craig Parallel Quick Hitch Lift Group system allows for maximum work site and seasonal versatility. Change front mount grader attachments in just seconds. Female blanks available for converting existing attachments.

- Up to 28" of lift
- Rugged parallel design maintains blade angle at all heights
- Large contact area spreads the load over a wide surface for strength
- Works with all standard Craig snow plows
- Mechanical locking pins standard (hydraulic pins optional)
