

MG-1073 SERIES

1073 SERIES ONE WAY PLOW

When you need nothing but the absolute best for your fleet, the Craig 1073 Series is your solution. Derived from more than 65 years of working hand-in-hand with Department of Transportation representatives across North America, this plow series is the benchmark for durability under harsh conditions.

The 1073 Series of plows meet all tender specifications previously reserved for the Craig 773 Series.

- Extra heavy construction with doubled moldboard ribs
- 13° moldboard 'angle of attack' adjustment
- 37° moldboard angle to road (by direction of travel)
- Stainless steel 'no tools' shoe adjustment
- Ultra high wear cast wear shoes
- Rubber deflector
- Heavy duty high visibility kit
- Heavy duty triangular trip mechanism
