

MG-630 VEE PLOW

Simply the best built, most rugged vee plow available on the market today. Used exclusively for opening some of the worst roads in the north. This plow has been, and continues to be, a mainstay of government and private industry for ensuring that roads stay clear during the worst storms, or for opening roads that have not seen a plow for most of the winter season.

- Smooth formed moldboard promotes efficient plowing action
- Three adjustable, replaceable skid shoes
- Available in 9 to 12 foot widths
- Optional down pressure kit available
