

WL-LMFS FEEDLOT BUCKET

The Feedlot Bucket features a dual cylinder clamp to allow for large capacities of odd shaped and difficult materials, including round bales, to be handled efficiently and accurately for loading and sorting.

- Dual-cylinder single top clamp standard
- Available with custom clamps for your specific application (pricing will vary)
- Bolt-on reversible cutting edge ensures long life
- Available in Craig Quik Key, OEM coupler and Pin-on configurations
- Critical wear areas utilize Brinell 400 wear plate
- Drilled to accept dealer specified ground engaging tools
- Optional third valve required on machine
