

WL-HA HYDRAULIC ANGLING PALLET FORKS

The Craig angling pallet forks for wheel loaders and telehandlers. Features a low profile back frame that offers great visibility to the tines and prevents the tines from swinging out.

- Allows you to work in tight spaces
- Optional bolt on backframe extension
- Rotates 30° from center position (60° from left-right)
- Various tine options available up to 60in
- Adjustable fork spacing
- Available in Craig Quik Key, OEM coupler, and pin-on configurations
- Third valve required on machine
