## HYDRAULIC REVERSIBLE BACKFILL BLADE

This dozer blade's wide cylinder stance provides maximum hold and strength while dozing. The cutting edge is gusseted between each mounting hole and a smooth boxed back frame keeps the moldboard light and strong.

- Skid shoes available to save wear on cutting edge
- Drilled to accept dealer specified ground engaging tools
- Cushion relief valve standard
- Available in Craig Quik Key, OEM coupler and Pin-on configurations
- Optional third valve required on machine
